Applicant(s): Timothy E. Benson

Serial No.: 09/825,212

Confirmation No.: 2707

Filed: April 3, 2001

For: CRYSTALLIZATION AND STRUCTURE DETERMINATION OF *STAPHYLOCOCCUS*
AUREUS THIOREDOXIN REDUCTASE

Remarks

These amendments correct typographical errors or make minor corrections in citations, and add no new matter to the specification.

The amendments made on page 2, line 16; and page 14, line 19, correct the publication year of the same cited document. The author, journal title, volume number and page number of the document were cited correctly, and from this information, the correct year of publication may be found.

The amendment made on page 10, line 13, corrects a typographical error. The paragraph describes Figure 4 and should obviously refer to Figures 4a and 4b. The figure has also been correspondingly amended.

The amendment made on page 23, line 16, corrects a typographical error.

The amendment made on page 27, line 7 and 8, completes the book's title. The first half of the title, the author, publisher and year were cited correctly, and from this information, the complete title may be found.

The amendment on page 34, line 1, makes minor corrections to article title. Most of the title, and the author, publisher and year were cited correctly. These errors would not prevent someone from easily finding this article.

The amendments made on pages 34, line 11; page 44, line 7; and page 46, line 32, place an umlaut in the respective authors' names. The rest of each of these citations is correct.
